The Dimmer VIEW

By MAX GOODWIN

I want our readers to know that we had nothing to do with the satellite fizzle in light of charges made by many congressmen, blaming its failure on publicity.

Because we had a feeling that any advance publicity we gave it might cause a damp fuse and sticky valves we blacked-out the Florida Vanguard tests.

I think this is generally true of most weekly newspapers. The Vanguard failure, I am convinced was caused by advance stories in the Union and Tribune.

The Grossmont High School governing board did Monday what they inferentially announced they were going to do for the past six months. They set the wheels into motion by which a junior college district would be formed if an election on January 28 is successful.

The election should be successful because only an idiot would dare speak out against colleges after government planners covered their own lack of knowledge and foresight in the Sputnik matter with a "colleges-are-patriotic" blanket.

We've got to have more scientists, the planners yowl, as if it was the tax payers fault for not knowing that Russia has been collecting world scientists for the past decade. If the planners didn't know Russia was using scientists to develop satellites how do I know their plea that colleges is the answer to Sputnik is based on any better judgement?

Anyhow, the Grossmont governing board proposes to form a junior college district within the boundaries of the present high school district and tax the district for the operation of same. For a while the junior college would be operated at Grossmont High School on an extended day program... a sort of night college. Eventually, an election would be held to decide whether a junior college should be built on an 82 acre site the board has nailed down east of El Cajon.

Proponents of the move say high school graduates do not

O.K. JR. COLLEGE, OVERTIME PAY

\$100 Extra For Local Clerks

Lemon Grove merchants this week are displaying replicas of the bag of 500 silver dollars that goes to some lucky shopper according to Lew Brouillard, president of the Lemon Grove Boosters.

Any shopper is eligible by simply signing his name to a coupon. The winner will be chosen Monday evening, December 23, at a ceremony in the plaza.

To assure a wide distribution of the coupons, the Boosters, who are sponsoring the promotion, will give \$100 to the shop from which the winning coupon comes. This money will be divided among all the sales personnel in the shop.

None Injured In Left Turn Crash

A left-hand-turn crash at Broadway and Imperial got this week's Christmas shopping traffic off to an uneasy start, but luckily, no one was hurt.

The late model cars involved were driven by William Young, 2519 Buena Vista, a Convair employee and Mrs. Charles Hull, Sr., 3842 Vista Grande Avenue, San Diego. With Mrs. Hull were her 6 months old son and 2½ year old daughter.

Both autos stopped at the stop sign at Broadway. Mrs. Hull, headed north, made a left turn toward San Diego. The cars met squarely in the intersection.

San Diego County Public Works Department said traffic lights are to be installed at the holidays. No charge was filed by the Highway Patrol.

HOW DEVELOPMENT COMMITTEE WORKS

The Development Committee of the Chamber of Commerce is comprised of representatives of all the known clubs and groups in Lemon Grove.

The function of the committee is to get an expression from their member clubs regarding the findings and recommendations made in an economic survey compiled by the Los Angeles Municipal Research Bureau.

After the Development Committee has filed its report with the chamber, the chamber will study the best means of implementing this determination.

If an election on incorporation is sought, it can only be done after it is publicized by legal advertising and a petition circulated in which 25% of the registered voters and owners of 25% of the assessed valuation of all property approves the election. Then any one who is registered may vote for or against it.

MASTER — Lionel A. Thorogood of 2052 Dayton Drive, will be installed as worshipful master for 1958 of Lemon Grove Masonic Lodge 736 F & A M this week. Ceremony is being held at La Mesa Masonic Temple Thursday at 8 p.m.

Henry G. Jensen, present master, will be installing officer and John B. Dail, past master, will be master of ceremonies. Also to be installed are: Francis L. Patterson, senior warden; John R. Gregory, junior warden; Frank Hutchings, treasurer; William E. Rife, P.M. secretary; Archie Hutchings, chaplain; Robert Housh, senior deacon; Chester Hobbs, junior deacon; LeRoy Nienaber, marshal; Marland A. Long, senior steward; Lloyd Sommerville, junior steward, and Lewis E. Steiner, tiler. Installing musician will be Pauline Gléason. Soloists will be Irene Cantos and Leslie Cozzens.

A reception at the Temple will follow the installation.

SETS \$250 A DAY SEWAGE PLANT PENALTY AFTER JANUARY 19

Theodore Gregory, Laguna Beach contractor, who has had the contract for the Spring Valley sewage treatment plant, was given a 30 day extension on his original contract Tuesday by the County Board of Supervisors. On

GROSSMONT SHOPPING CENTER DEVELOPER TO BE SPEAKER

Elliott Cushman, developer of the 100 acre Grossmont Regional Shopping Center which is scheduled to be started in the near future has accepted an invitation to speak at the Men's Club Friday.

He will describe the mechanics of putting together the \$10 million project which he hopes to get underway within the next 18 months.

The Men's Club meets at noon every Friday at Michael's. All men are invited to attend. Bill Parker of the telephone company is presiding officer.

November 29, attorney John W. Knowles, representing Gregory, appeared before the Board trying to straighten out the matter of the County terminating Gregory's contract.

Reason for the 30 day extension of the contract was given as the result of rainy weather, which may have set back the work considerably. However the 30 day extension only brings the contract up to November 1, as the work should have been completed by October 1. Gregory is being charged \$25 a day for every day after the termination date.

A report from the County Council stated that Gregory claims he can complete the work on the treatment plant by January 15, but should the work go past January 19, he will be charged \$250 a day after that date.

Neither Gregory nor his attorney were present at the Tuesday meeting of the Board of Supervisors. A spokesman for the Public Works Department said that work has not stopped on the plant during the negotiations.

ISSUE TO MAKE SHOPPING EASIER

The annual Christmas shopping issue of this newspaper will be published next week. It will be crammed with ideas and suggestions for gift buying to make it easier for the harried shopper to wind-up his gift buying.

A selected list of homes around the perimeter of Spring Valley and Lemon Grove will be circulated with this issue.

QUEEN — Miss Karen Joan Wrede will be installed Honored queen of Bethel 229, Job's Daughters, at 7:30 p.m. Wednesday in Friendship Hall in Lemon Grove. Ruth Dilley, retiring honored queen will install the new officers, assisted by Karol Rife, Nona Gail Swift, Jean Steman, Audrey Martin, Carol Cypert, Loretta Kennison and Sharon Sanders. Elective officers are: Stephanie Burns, senior princess; Dorée Radici, junior princess; Betty Cleverger, guide; La Royce Cooper, marshal.

Appointive officers are: Sue Stevenson, inner guard; Linda Mallow, outer guard; Bea Weeks, junior custodian; Cheryl Nichols, senior custodian; Carolyn Lybrand, first messenger; Susan Huffman, second messenger; Sharon Dodson, third messenger; Patty Putnam, fourth messenger; Sharon Sommerville, fifth messenger; Margaret Dudley, librarian; Wilma Whisenand, recorder; Vera Doddridge, treasurer; and Connie Perkins, Chaplain.

A semi-formal reception will follow the ceremony. The public is invited.

The Grossmont High School Board approved two major issues Monday night. The first was the approval for setting a date for an election on the formation of a junior college district.

In another action the board approved an administration recommendation of a plan to pay teachers for outside work.

The junior college decision date is to be requested of the State Board of Education with the proposal that it be tied with the school board election which will be held in the spring.

Lewis Smith, Grossmont High School District superintendent said that the decision to wait 'til spring would mean that the district could not be organized until July, 1959. Members of the board had eyed July, 1958 as the forming date with an election on February 1.

Smith said the later date would allow voters to assimilate the information, and would also provide more time for a college program to be developed before a college is started. The proposed district, which would be the same size and shape of the high school district, will be operated on an extended-day plan for two years, Smith said. He also said that the classes would probably be divided among the various high school plants since parking would create a problem if the classes were concentrated at Grossmont. The college district would have the same school

In the work-load extended-pay plan, the board backed Smith's recommendation which would bring to practically all of the 238 members of the high school faculty increased income amounting to approximately \$64,000 a year. Smith said individual payments will be modest and will be financed from two sources.

One source is from the teacher-student ratio which is now 31-1. This will be increased to 32-1 with the extra load going to the teachers who have low room population ratio. This will transfer to the fund the equivalent of two teachers from each school or \$44,000.00 per year. "Another \$20,000.00 will come from the general operating fund."

Approximately \$16,000.00 will go to the faculty members at each school each year for such outside school-connected activities as band, athletics, speech, ASB work, club sponsorship and several other supervised activities that take place after school.

The payments are not retroactive, Smith said. Extended-pay payments will begin for work on and after school starts in September, 1958.

BWL SENDS OUT SOS

The Business Women's League have run up the SOS flag.

Their one annual public project, that of prettifying the town's plaza, may fail unless they get a lot of help.

To obtain funds for the plaza, the Business Women's League fabulously dress a doll in 5, 10 and 20 dollar bills and give her to some worthy, or lucky person. So far this year the potentially lucky and worthy persons have not made themselves known in sufficiently large quantities to assure a profit on the drawing. are needed.

These tickets may be obtained from practically any business house in Lemon Grove. Both ticket signers and ticket distributors are needed.

Some of the improvements underwritten by the project in the past include: cleaning and landscaping the plaza, grass planting and mowing the plaza; drainage pipe installation; bumper rails along the parking area of the plaza; planting and decorating a Christmas tree in and plaza, and upkeep of plants and shrubs in the plaza.

Hegland May Try For School Seat

Sheridan Hegland, Assemblyman (D-La Mesa) announced in Sacramento last week, that if he can raise enough money for a campaign, he will run for the office of state superintendent of public instruction in the next election, June 1958. The job now pays \$15,000 a year, but will be raised to \$20,000 a year, according to a recent report. The raise to start in January in 1958.

Roy E. Simpson, incumbent, was endorsed by the County School Superintendents Association, at a recent meeting in Sacramento. However, there was some opposition to the endorsement, as the voting was 37 to 9, and the balloting was secret. Simpson had already announced that he will seek reelection.

Contra Costa County School superintendent B. O. Wilson, said the endorsement was "untimely and improper" as Simpson himself had called the meeting.

In a radio address last week, Hegland said his chances were about a hundred to one. His wife Edwina, said last Thursday that Hegland will make some kind of an announcement in San Diego in about two weeks.

Wilsons, Storks, and Wilsons' Daughters Have Busy Day

Friday was a busy day for Lt. and Mrs. H. J. Wilson, of 8484 Drexel Drive.

It was even busier for the couple's two daughters, each of whom gave birth to a boy baby on the same day, at the same hospital and on the same morning, a few hours apart.

Michael J. Burgess weighed in at 7 pounds, 7 ozs., at 6:09 a.m. December 6. His papa and mama are Mr. and Mrs. Walter Burgess of 6150 Severin Drive, La Mesa.

Three and a half hours later came Edward James Boyle III. He tipped the scales at 6 pounds, 15 ozs., and his papa and mama have the same name as his with the numeral II after it. They live at 2477½ Hardy Drive.

Grandparents Wilson, beaming proudly over their accomplishment, settled down for a reasonably long wait before the line grows longer. Another daughter, Marilyn, is a Mt. Miguel student and is not yet contemplating marriage, and their son Steven, aged 9 months, isn't either.

Dr. Ralph King, of La Mesa, wrapped it up as a package deal, family, economy size. He said the new grandparents were doing as well as could be expected, suffering only a mild case of "bragitis".

The new parents and their progeny are doing fine, too.

GROVE DEMOS TO ELECT

Election of officers will be the primary order of business at the next regular monthly meeting of the Lemon Grove Democratic Club Friday at 8 p.m. Among other important matters to be discussed is the group's participation in the endorsing convention of the California Democratic Council, to be held in Fresno, January 10-12, at which the club is planning to be well represented.

The meeting will be held in the home of the president, Mrs. H. J. Warner, 7815 Mt. Vernon Street.

Scouts To 'Attack Traffic Accidents' On Friday 13th

Friday, December 13, will be an "unlucky day for traffic accidents" if San Diego County's 29,000 Boy Scouts and leaders have their way.

That's the day when Scouts of this community will respond to

for Scouts thru-out the Nation to adopt safety as their service project for 1958.

Cub Scouts will hang 100,000 reminders on doorknobs over the County and Explorers and Scouts will distribute handbills here in the shopping center. The door hangers and handbills will ask residents to "Back The Attack on Traffic Accidents" and "Do Your Safety Good Turn Every Day by Helping The Other Fellow To Be Safe".

Soil Conservation Group Plans Fresno Meet

Farmer-directors of the California Association of Soil Conservation Districts have completed plans for their 12th annual convention at Fresno, January 28-31 when they will tackle some of the state's toughest soil and water problems.

Members of the California Senate Agricultural and Assembly Conservation and Public Works Committees will hold a joint interim session at the convention for discussion of major conservation issues.

The program will also feature a panel of representatives of the California Farm Bureau Federation, Extension Service, U. S. Soil Conservation Service, state water division, California Association of Soil Conservation Districts, State Soil Conservation Commission, State Soil Conservation Division, and Agricultural Stabilization and Conservation Committee. Panel members will discuss a variety of questions put by conferees.

Claud Clayton, Chowchilla, general arrangements chairman, calls the gathering "vital" to farmer conservationists.

Officers of the Association include: Hans Doe, Vista, president; Claud Clayton, Chowchilla, vice-president; Wells W. Miller, Vista, secretary; and James R. Snyder, Poway, treasurer.

Future Nurses Get Surgeon's-Eye View Of Operation

Grossmont High School Future Nurses Club saw an appendectomy while on tour through the Navy Hospital, recently. The group of girls went with their adviser Mrs. Delia Benedict, school nurse, in two groups led by Mrs. T. McIntyre and Mrs. F. Fallon, hospital nurses.

They saw the nurse's home, the neurology ward, and convalescence ward. When going through the three newly added basements they stopped to witness an appendectomy.

Then they toured through the recovery room where they saw the Cobalt X-ray machine which costs approximately \$75,000. Next came the nursery where a new born baby was being put into an incubator. Then the Grossmonters walked through the chapel.

"The girls agreed it was quite educational. We found that they are under-staffed and there is a tremendous shortage of nurses," said Mrs. Benedict.

Grossmont Future Nurses Club officers are president, Sandy Preston; vice-president, Shirley Ratluff; secretary, Vernalee Nereson; and treasurer, Jan Radley.

Durham Writes Book, Takes a Month's Rest

Ira Durham, of 3270 Main Street, long time resident of Lemon Grove and present investor in same, has completed a 118 page book covering the present activities of his World War I Company.

Durham was head cook of Company K, 23rd Engineers, U. S. Army. Members of the company kept in touch with each other by way of a book published each year titled "The Roll Call". For 15 editions, the book has been published with the exception of 1942 to 1952. This year Ira Durham was named publisher. He called it the Avocado Empire Edition.

The book contained letters from most of the company yet living. He mailed out 166 copies to former Co. K men.

Finishing that chore Durham announced that he, his wife Jul-

ia, and his sister, Mrs. Mae Hilsinger of La Mesa would journey to Longview, Texas for a month's stay where they will visit the Durhams son's family. Since the Durham family was there last fall, another member has been added. He is Randy, now 4 months. The other youngster is Kenney, 2½ years.

Valley Couple In Double Ring Ceremony

Mr. and Mrs. Haley

The Little Chapel of the Roses was the setting December 1 for the wedding of two popular young people of this area; Jerry C. Haley and Linda Aleta Carovano, both of Spring Valley. Dr. Elmer Jones, pastor of the Trinity Presbyterian Church performed the double ring ceremony. The bride was given away by her father.

Maid of honor was Miss Kay Williams; bridesmaids were Barbara Bevins, Theresa Haley (sister of the groom), Barbara Lawhorn, and Margaret Ruddy; flower girl was Helde Rose; best man was James Anderson; ushers were three brothers of the groom, Wilbur Haley, David Haley, and Richard Haley and Theodore Fritzges; junior usher

was Stanley Carovano (brother of the bride; Linda Leach was in charge of the guest book.

The bride's gown was of imported chantilly lace and ivory satin, with a wing collar. The yoke of the pointed bodice was embroidered in sea pearls and sequins repeated in a medallion on the full skirt, which carried a train. She wore a light veil held by a coronet of pearls and sequins over lace, made by her mother. She carried a white satin prayer book (a gift from her God-mother) and a spray of orchids and stephanotis.

The maid of honor wore white nylon over pale orchid taffeta. The bridesmaids were dressed the same as the maid of honor, only in darker shades. All carried sprays of orchids and carnations. The flower girl wore nylon lace over very pale orchid taffeta and carried a white basket of petals. The bride's mother wore a royal-blue satin dress and the groom's mother, a navy-blue suit. Both wore orchids.

The reception was held in the Little Lodge, with over 125 persons attending. The newlyweds received many beautiful gifts.

Out-of-town guests were Mr. and Mrs. Robert L. Peterson of Delano, Calif., Mr. and Mrs. John Allen of San Mateo, Calif., and Mrs. Retta Harrison of Los Angeles.

The new Mrs. Haley is the daughter of Mr. and Mrs. John Carovano, 2515 Sweetwater Avenue address. She is a 1955 graduate of Helix High School and presently employed by C. M. Christianson, an accountant of La Mesa. She attends college in the evening.

Mr. Haley is the son of Mr. and Mrs. Carl Haley of Sunnyvale, Calif., and formerly of La Mesa. He is also a 1955 graduate of Helix High, and at present employed by a San Diego aircraft tool company. He also attends college in the evening.

Mr. and Mrs. Jerry Haley will make their home on Parks Avenue in La Mesa.

Aliens Must Register For New Year

The annual alien address report program usually causes a sharp rise in the number of applications for naturalization, according to George Scallorn, officer in charge of Immigration and Naturalization Service.

The law requires all aliens in the United States, with few exceptions to report their address each January. Throughout the United States, almost thirty per cent more applications for naturalization are received during the months of January, February and March than are received during other months. Mr. Scallorn attributes this sudden rise to the Alien Address Report Program.

Aliens not required to make this report are diplomats, those accredited to certain international

organizations and those who have entered temporarily as agricultural laborers.

Forms for making the reports will be available to aliens at all Post offices and offices of the Immigration and Naturalization Service during the month of January. Scallorn indicated that aliens desiring information concerning naturalization or similar matters should obtain the forms at an office of the Immigration and Naturalization Service where personnel trained in these fields will be available to answer inquiries.

1958 FEES MUST BE PAID WITH AUTO TITLE TRANSFER

Used car sellers and purchasers were reminded by State Motor Vehicles Director Paul Mason today that all applications for transfer of title presented to the Department of Motor Vehicles during December must be accompanied by 1958 fees.

That applies, Mason said, not only to transactions completed in December, but to prior used car sales and purchases for which title transfer applications are made on or after December 1.

In the registration of new or nonresident vehicles during December it is not mandatory, Mason explained, that next year's fees be paid at the time of applying for registration. Neither does the requirement apply in refinancing transactions affecting the legal ownership of a vehicle.

5%, 4 1/4%, 4% and 3% 1957 School Bonds, Series A

Dated Jan. 1, 1958 - Due Jan. 1, 1959-63, Ind.

Principal and semi-annual interest (January 1 and July 1) payable at the Office of the Treasurer of San Diego County in San Diego, California. First coupon (annual) payable January 1, 1959. Coupon bonds in denomination of \$1,000 negotiable only as to both principal and interest.

In the opinion of counsel, interest payable by the District upon its bonds is exempt from all present Federal and State of California personal income taxes under existing statutes, regulations and court decisions.

We believe that these bonds are legal investments in California for savings banks, subject to the legal limitations upon the amount of a bank's investment, and are likewise legal investments in California for other funds which may be invested in bonds which are legal investments for savings banks, and are eligible as security for deposits of public moneys in California.

These bonds, issued under the provisions of Division 3, Chapter 17, California Education Code, for various school purposes, in the opinion of counsel constitute valid and legally binding obligations of the Lemon Grove School District. The Board of Supervisors of San Diego County has power and is obligated to levy ad valorem taxes for the payment of said bonds and the interest thereon upon all property within said District subject to taxation by said District (except certain intangible personal property, which is taxable at limited rates) without limitation of rate or amount.

Mr. and Mrs. Raymond Massey

The ever popular song "All Be Loving You Allways" (I'll Be Loving You Allways) was heard clearly around Spring Valley last Monday evening. For it was being broadcast over the loud speakers of the Friends Community Church. And very appropriate it was; for in the church two very popular,

The groom (in uniform) had been waiting for his bride to appear. Standing beside him was his best man (also in uniform) Luke Barbour Jr., brother of the bride.

First down the aisle was the matron of honor, Mrs. Earl (Norma Jean) Carlton, sister of the bride, wearing a dusty-rose formal. She was followed by the bride, wearing a sky-blue formal and carrying a bouquet of white camellias. She came down the aisle on the arm of her father, who gave her away.

The reception that followed the ceremony, was held at the home of Mr. and Mrs. Byron D. Frankenberg, 318 Cates Street, Lomita Village. Mrs. Frankenberg is a sister of the groom. There were about 50 persons present. The newly married couple received many beautiful gifts.

The new Mrs. Massey is the daughter of Mr. and Mrs. Luke W. Barbour of 3364 Helix Street, Spring Valley. She attended Spring Valley Elementary School, and later Grossmont and Mt. Miguel High Schools.

Mr. Massey is the son of Mrs. Bobbi North of 10154 Camp Road, Homelands. He attended Grossmont High School before going into the Marine Corps in October 1956. Stationed at Camp Pendleton, he has just taken his exams

Gives Advice On Care, Feeding Of Xmas Trees

By "Pappy" Hensley

Lemon Grove Fire Chief

Fires at Christmas time are particularly tragic at this happiest holiday of the year. On most sentimental days thousands of homes are carelessly and unwittingly converted into dangerous fire traps despite repeated

The newlyweds will make their home temporarily at the 3364 Helix Street address.

warnings by fire and safety officials.

Caution should be taken when deciding upon where to put the tree to be sure it is not placed near fire places, stoves, television sets, radiators, or electrical bulbs.

Try and choose a small fire proofed tree if possible. Trees can be flame-retarded by your local fire department.

Keep the tree outdoors until it is ready to be used. To keep it fresh and moist water should be thrown on it occasionally.

Plenty of ash trays and trash cans should be available for people to use in disposing of cigarettes and Christmas wrappings. On bringing the tree inside the

house cut the butt slant-wise and then stand in a tub of water or damp sand. Untreated paper ornaments or untreated cotton bunting should never be used for decorations and only electric lights should be used on a Christmas tree never candles of any sort.

THANKS TO THE EMERGENCY SQUAD OF THE LEMON GROVE FIRE DEPARTMENT

Johnny Hayes is alive today because of the quick action of the EMERGENCY SQUAD of the Lemon Grove Fire Department.

A while ago — Johnny — while at work in our shop — swallowed a cough drop and it went down the wrong way! Johnny started choking . . .

We called the Fire Department. Inside of four minutes they were here and had taken complete charge of the emergency.

Bernard Briggs — who drove the emergency truck, worked for more than twenty minutes over the unconscious man — still alive!

So we want to thank the emergency squad of the Lemon Grove Fire Department for saving the life of a valued employee and a good friend.

KIDDIES' BOOKS WANTED FOR HOSPITAL WAITING ROOM

Wanted by Grossmont Hospital Women's Auxiliary: children's books, either new or used, provided the latter are in good condition—for use in the various lobby, laboratory, and X-Ray waiting rooms of the hospital. Popular children's books with illustrations in color are preferred—rather than the so-called "comics", although the latter will be welcome, too. Apprehensive children awaiting attention are diverted and calmed by these books, and books also to help to keep children quiet who must remain in the lobby while their elders visit patients. Books placed in the hospital's waiting rooms do not last long, so many are needed. Donors may deliver the books to the auxiliary office in the hospital, or call in for a pickup. Mrs. Landesco On B of R Day Committee

Mrs. John Landesco of 1940 Skyline Drive, Lemon Grove has been named to the Bill of Rights Day Committee of the American Civil Liberties Union by Dr. Harry Ruja, president of the San

Diego County Chapter of the American Civil Liberties Union. The committee has been involved in plans which will publicize the 166th anniversary of Bill of Rights Day December 15.

OBEY LAW TO BEAT GETTING TICKETS SAYS COMMISSIONER

"Speed violations, right-of-way violations, driving while under the influence of alcohol, disregarding traffic lights or stop signs, and following too closely continue to lead the parade of traffic violations," said B. R. Caldwell, Patrol Commissioner of the California Highway Patrol. "With our usually highest traffic accident month, December, upon us, it is urgent that every driver and pedestrian check their traffic habits with the vehicle laws," he added. "Each should keep in mind that there is no substitute for traffic law obedience if you want to drive or walk safely in traffic."

SD Jewelers Sign For College Grove Location

A prominent San Diego firm of jewelers will occupy a location in the College-Grove Shopping Center it was announced this week.

Plans of Lawson-Schiller Jewelers to locate a store in the \$14 million College Grove Center near Lemon Grove were revealed today with the announcement that it had taken a 20 year lease.

The announcement was made jointly by G. G. Kish, general manager of Lawson-Schiller, and Allen H. Perris, local representative of Phillip Lyon Company, Los Angeles realtors who are leasing agent for the project, which will have 90 stores and parking for 5400 cars.

Kish said the nearly 5,000-square foot corner store would be located in the eastern part of the project. Completely air conditioned, he said it would be one of the largest jewelry stores in the San Diego area. A staff of about 12 people will be employed.

"We picked College Grove for our fourth store because we feel confident the center is in a tremendous growth area," Kish said. "Too many of our customers are finding it exceedingly difficult to come downtown, find parking, and trade as frequently as they and we would like."

Lawson-Schiller, in business here since 1900, was founded by the late Leo Schiller, one of the city's pioneer jewelers.

Mitchel Opens Second Local Office

Glenn D. Mitchel, well-known county-wide real estate broker, has opened a second office in Lemon Grove at 7770 Broadway near Main Street. The other office has been located on lower Broadway for approximately one year.

In charge of the new office is Frank Shannon. Marie Groce and Ethel Oyler are sales personnel.

Other offices are located in La Mesa, Winter Gardens, El Cajon and Grossmont. The newest Lemon Grove office is the eighth to be opened. Eventually, there will be 45 offices in the organization Mitchel said. 43 persons are presently employed.

An unusual feature of the Mitchel organization is that all of the income from every seventh office "goes into the work of the Lord," Mitchel said.

The firm's slogan is "Business Built on the Golden Rule." All Mitchel offices are closed on Sunday.

FAIR INCOME MAY BE UPED

Del Mar Fair and Exposition may become a regional fair instead of a district fair said Paul T. Mannen, manager last week.

This recommendation was made to the State Agricultural Commission and will require legislation in 1958 to become effective. If passed this would mean that Del Mar would receive increased funds from pari-mutual betting.

DEAR SANTA...

Santa Claus is very busy getting his bag filled with toys for Lemon Grove and Spring Valley youngsters. He asked us to print some of his mail and his answers because he is too busy right now to get down to the postoffice.

Here are some of the letters that came by mail last week:

Dear Santa:

I want a swin racer bike and a tunnel for my train, a little army set and a truck and I would like a pome-pome gun. I would like a band for my watch.

Galen Judd

Dear Santa:

I would like a swin bike with hand bracks and a radio so I can take it with me where ever I go, and I can listen to it. I would like a case for it.

Annette Judd

Both of you girls will have to learn to spell better but I will bring what you requested, anyway.

Santa

Dear Santa:

I want a Shirley Temple doll. The price is \$9.98. The reason I wrote you because I new you would. I've been a good girl because my mother said so. I did the dishes ever night and morning, and made my bed and made my lunch to.

I am 9½ and live at 7861 Nichals.

Sandy Lee Hughes

Thanks for your picture Sandy. I'll see you Christmas.

Santa

Dear Santa:

I want a balerina doll, a bike, and a doll buggy. Paula wants a Betsy Wetsy doll, a buggy and a cosmetic set and some games. Pamela wants some toys and a little doll. She is our little baby. If you can't bring it all bring as much as you can.

(Dictated to mother)

Barbar, Paula Jo and Pamela Haider

I think I can fill most of the order for you children... if you're good.

Santa

Dear Santa:

I want a pom pom gun and a fire engine and a bike.

Patrick Haider

I'll try to get what you want Patrick, but your three sisters also sent a list. Also, you just had another baby sister. That's a pretty good Christmas present, too.

Santa

Dear Santa:

I will love a watch for Christmas and some other toys what you can make for a 10 years old boy. I will appreciate most of all a watch and a bee bee gun with a good strong target. I will have a cup of hot cocoa for you. I will appreciate a bee bee gun and a watch.

Glenn Diercks

Yes, Glenn, I'll come to your house. Don't make the cocoa too hot. I have to drink it fast and fly, you know.

Santa

Dear Santa:

I love Santa Claus. Hello Santa Claus.

Gall Patton

Thanks for the love letter Gall. Thank you for sending the post card someone wrote to your mommy from Seattle. It is pretty.

Santa

Dear Santa:

I will love a big bride doll and a watch. I will just love a set of books for a 7 year old girl and a 10 years old boy.

Sandy Diercks

I plan to stop a while at your house. Your brother wrote me a letter earlier in the week and promised to have some hot cocoa for me.

Santa

Dear Santa:

I would like to have a football uniform and a foot ball helmet. I would also like a football.

Daln Norman

OK I'll bring them. A fellow your size should have the foot-ball things.

Santa

Dear Santa:

I would like some tinkor toys, snap trains and a bike with train wheels, slippers and a watch.

Kevin O'Mahony

There's an awful lot of requests for bikes this year. I'll try to give them as long as my supply lasts.

Santa

Dear Santa:

I want a baby with a bottle and clothes and a washing machine a baby bed and an apron and give Tony a Dennis the Menace.

Debbie

Is the washing machine and baby bed for you or mother, Debbie?

Santa

Dear Santa:

I have been a good girl all year and I would like a blue notebook with zipper and paper, one high healed doll, one wrist watch, one purse and a buggy. I hope you don't think I'm buggy but I really do want these crazy items.

Lynne

You were a good girl, Lynne, up to the last sentence.

Santa

The Dimmer VIEW

(Continued)

know what they want to do when their four year term in high school is over. Give 'em two more years to make up their minds is the philosophy.

I do not belong to the school of thought which believes two years of junior college will answer the students personal question of "what do I want to do in business or professional life?"

A possible solution to this is scholarships. Apt students, talented students, and students with determination would be helped. There has been no study to disprove that students who bum through high school do not bum through college. I say give those who know their way a better chance.

My mild objections to one side, I will concur that more colleges are needed. I believe however that if the east El Cajon site should be used The Ramona, Julian and Mountain Empire Unified Districts should be included to put a better population distribution on the east side of the district, and to collaterally, cut down the tax rate by increasing the taxing base.

I also hoped privately, that the College District would have its own governing board rather than using the Grossmont High School board. I believe the Grossmont board has all it can handle with its 7,000 students.

Add one more stone to pyramid of weekly newspaper accomplishments.

This one has to do with the money we save county citizens because of an editorial we ran last year concerning the "press" party the San Diego County Fair throws every year.

We were against it.

We were against it because the Fair people were using money that rightfully belonged to county residents for throwing a whing-ding at the Fair Grounds the night before the Fair opened each year. They showered the guests with plenty of booze and plenty of good food.

They also showered the press with plenty of politicians.

So last year I editorially un-corked on the silly practice. The press, said I, could equally well see what was going on at the Fair at a regular showing. Their press cards permit free entrance. Instead, I pointed out, the Fair people throws a party which they claim is to give local editors a chance to see, and chat with their own townspeople who have booths at the show. It also is put on for cementing relations between the fair officials and the people who run the newspapers, the radio stations and the (if you will pardon the expression) television.

Usually the press ends up being tin-eared by supervisors, assemblymen, and other persons in, or seeking office. Two years ago a state senator in a drinking fit, clobbered a north county newspaper employee.

So I boycotted 'em. I stayed away last year and had a better time at home barbecuing hamburgers for the kids in the patio.

The other day, Bill Arbello, chief of the public relations staff at the Fair paid me a visit. Among the things he discussed was the 1958 "press" party.

"We are following your suggestion," he said. "This year no one but the working press will receive invitations to the 'press' party."

He also admitted that fair executives resented having to share the press's ear with some half-stewed politicians.

The money they save on the politicians would buy a good scholarship for some deserving student.

Anyone care to try for two?

Square Dance News . . .

H. C. ASSN.

A benefit dance for caller Juan Frank will be held in the Conference Building, Balboa Park on December 22. The time has been set for 2:30 to 5:30 p. m. The dance will be sponsored by the Heartland Callers Association and tickets can be bought at the door or from any Heartland caller. Mr. Frank is expected to be in the hospital for some time due to serious illness.

PROMENADERS

The Promenaders will hold their annual Christmas party December 18, in the Spring Valley Chamber of Commerce Hall, 9050 Memory Lane. There will be a Christmas tree and exchange of gifts. The gifts are not to cost over 50 cents, and can be for a boy or girl or pa or ma.

Frank Dyson was club caller when the group met December 12 for the regular dance. Frank was assisted by guest callers Ron East and Al Rider. Host and hostesses were Paul and Doris Remele.

Dorothy Bradfield won the door prize, a delicious looking chocolate cake.

Guests were Ron and Dee East and Floyd and Ramona Bryant, all from the Merry Whirlers.

MERRY WHIRLERS

Everyone had such a wonderful time last Saturday evening when the Merry Whirlers hosted the Country Squares, that another evening of hosting is planned for next Saturday. This time the invitation also includes the Frontier Squares. The place is Rolando School, La Mesa, at 8:00 p. m. Ron East will call.

LARIATS

Lariats Party Night will be Friday the 13th with George Vagtborg calling. Lariats are hosting Dip and Divers. A turkey will be given as door prize. Everyone is asked to bring a toy for a tot.

SERMON DECLARES

SPIRIT, GOD, ONLY CREATOR

"God the Only Cause and Creator" is the subject of the Lesson-Sermon in the Christian Science churches on Sunday. "Every house is builded by some man; but he that built all things is God," declared Paul to the Hebrews (3:4) in the words which comprise the Golden Text of the sermon.

From the words of Isaiah a selected passage in the lesson reads, Valley Fire Department.

"For thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else" (45:18).

GLADS

Many people plant Glads all the year round but, in my estimation, the Glads that bloom best are the ones planted in early December. Planting at this time of year gives the Glads a chance to get started into bloom before the first heavy onslaught of Thrips.

BEAT THE ENEMY

You can prevent a tremendous amount of Thrip infestation on your Glads by dipping the corms in a safe disinfectant prior to planting. Thrips hibernate underneath the sheaths and no matter how fine the quality of the corms, it is practically impossible to find any that do not have some Thrips prevalent on them.

LOMITA VILLAGE NOTES

by Edna Rice — HO 9-6832

By Edna Rice

HO 9-6832

Mr. and Mrs. Larry F. Cook of Ontario, Calif., announce the engagement of their daughter, Mona LaVerne, to Stephen Michael Murawski, son of Mr. and Mrs. Stephen Murawski Sr., of 870 Dell Anne Place, Lomita Village. Miss Cook was graduated from Chaffee High School in '56. The prospective bridegroom was graduated from Helix in '54 and is currently employed by Rohr Aircraft. An early summer wedding is planned. Miss Cook was a recent house guest of the Murawskis.

LOMITA VILLAGE

Sgt. Robert H. Conroy, USMC, and Mrs. Conroy of 312 Cardiff St. were recent visitors in Upland, Calif., at the home of Mr. and Mrs. Donald Conroy.

LOMITA VILLAGE

Lomita Village welcomes new residents, Mr. and Mrs. Haynes at 619 Encinitas Ave.

LOMITA VILLAGE

Miss Linda Kay Lovelace celebrated her seventh birthday recently with a party for 16 little

girls, all school friends, at her home at 552 Encinitas Ave. Games were played, and refreshments enjoyed. Linda Kay was the recipient of many lovely gifts.

LOMITA VILLAGE

Mr. and Mrs. Don Reid of 544 Cardiff St. have had as house guests Mr. and Mrs. Norton and family, formerly of Detroit, Mich., and now residents of Anaheim. Mr. Reid's great-uncle, Mr. Arthur Parsons, of Windsor, Ont., was also a recent house guest.

LOMITA VILLAGE

The Nil Nomen Group held their annual Christmas party on Wednesday at the home of Mrs. Kenneth Peeters, 4319 Elma Lane, La Mesa. This is a social group composed mostly of Lomita Village residents, who first became acquainted about seven years ago when they were recently married residents of Aztec Terrace and their husbands were studying at State College. The club formally organized four years ago, when most of the families became Lomita Village residents. The project that the Nil Nomen is devoted to is that of helping needy Indians on the Santa Isabel Reservation. At their Christmas party the Nil Nomen ladies packed the Christmas baskets for the Indians and also exchanged gifts with each other, to find out who was each one's secret pal.

The project of aid to needy Indians is not, however, just an annual holiday activity. Monthly dues are earmarked for this charity, and other activities are sponsored. Recently, a party was held at the home of Mrs. Thomas Hill, 318 Encinitas Ave., to help raise additional funds. The Nil Nomen would be very grateful for any donations for the Indians, particularly food staples, shoes, blankets, and warm coats. The club's president, Mrs. Frank Kelleher, 715 Bonsall St., would

be very happy to receive any donations and would deliver them to the Reservation. Or if any one would like to drive out to the Santa Isabel Reservation, the donations could be left with Father Gino at the Santa Isabel Mission. Mrs. Kelleher pointed out that while it is generally supposed that the Santa Isabel Indians are prosperous in their agricultural pursuits, such is not actually the case. Much of the land is steep and mountainous, and more suited to the activities of mountain goats than farmers.

LOMITA VILLAGE

Dr. Terence Geddis, principal of the Audubon Elementary School, and P.T.A. officers, Mrs. James Smelzer, president, Mrs. George Rogers, vice-president, Mrs. D. W. Ridenour, program chairman, and Mrs. R. E. Lovelace, publicity chairman, are very enthusiastic over the plans for the annual Christmas program, which will be presented Tuesday, Dec. 17th, at 7 p. m. in the school auditorium. This year the pageant, entitled "The Christmas Story", is under the direction of Mrs. Freda Gregg and features the school choral group directed by Mr. Robert Cooley.

LOMITA VILLAGE

On the last day of school before Christmas vacation, Friday, Dec. 20th, there will be the usual Christmas room parties, sponsored by P.T.A.

LOMITA VILLAGE

The Student Council of Audubon School has just planted three new Brazilian pepper trees on the school grounds, this purchase being made from Student Body Funds.

LOMITA VILLAGE

Sawtelle Ave. could well be called Girl Scout Row, for three prominent Scout leaders live there. Several Scout Christmas events will be held on Sawtelle. The outstanding affair of the Yule season is a Christmas dance that will be given by Girl Scout Troop 19 of Samuel Gompers Junior High School on the evening of Dec. 20th at the home of Mrs. Dell Dickinson, Girl Scout district chairman, 343 Sawtelle Ave. Mrs. Dickinson recently represented her district at the Girl Scout Convention in Philadelphia. The regular monthly meeting of Neighborhood chairmen and committee members was held at Mrs. Dickinson's home on Tuesday.

LOMITA VILLAGE

Mrs. James A. Kelsey, 335 Sawtelle Ave., Neighborhood chairman for Echo Neighborhood, is planning a Christmas party at her home on Dec. 20th. Girl Scout leaders of Echo Neighborhood met Wednesday morning at the Encanto Methodist Church to plan their Christmas party.

LOMITA VILLAGE

Mrs. Cecil Henderson's Brownies are looking forward to the Christmas party she will give for them on Dec. 17th at her home at 303 Sawtelle Ave. There will be a tree, of course, and gifts for all.

LOMITA VILLAGE

The congregation of the Skyline Wesleyan Methodist Church recently tendered the pastor, Rev. Orval C. Butcher, a birthday party in the Fellowship Hall, during the "Afterglow" meeting following Sunday evening services. An overflow crowd was in attendance. The centerpiece for the table was a large birthday cake beautifully decorated by Mrs. Charles Spisak. Pastor Butcher was presented with two heart-shaped boxes bearing lighted candles and filled with money. This symbolic offering of their hearts betokened the deep affection and esteem the congregation has for its pastor.

LOMITA VILLAGE

Several carloads from Skyline Wesleyan attended Phil Kerr's Monday Night Musical in the Civic Auditorium in Pasadena. The music was provided by the San Diego Youth for Christ. Pastor Butcher rendered a solo, a medley of "Mother" songs, and, in honor of his birthday, his mother, Mrs. Charles Butcher of San Gabriel, Calif., was seated on the platform. The associate pastor, Rev. Derric Johnson, sang with the Youth for Christ Quartet, while young David Spisak sang with the Youth for Christ Koraliers.

The popular young associate minister, "Pastor Derric", as he is called, who is in full charge of

the Youth Program and the music for the church, is now busily rehearsing the Christmas Cantata, which will be presented on the evening of Dec. 22nd. Pastor Derric wrote this Cantata in collaboration with Don Grant when they were students at Azusa College.

LOMITA VILLAGE

Among Christmas activities at St. Rita's, Mrs. M. J. Martinell, Jr., 745 Glencoe Dr., Lomita Village, president of St. Patrick's Sodality, reports that her Sodality is presenting their annual Nativity Scene Play this week Friday afternoon at 3 p. m. and also Saturday evening in the church hall. The actors, children of Sodality members, range in age from four months to thirteen years. Proceeds will be used for the church building fund.

Mrs. Martinell further reports that St. Patrick's Sodality is also planning the annual Christmas party, this year to be a buffet dinner for members and husbands, to be given on Dec. 17th at the home of Dr. and Mrs. Charles Chase, 3107 Citrus St., Lemon Grove, former Lomita residents. This is the first year for husbands to be invited to the Christmas party. Members are preparing gifts to be sent to a Sodality member who is ill.

LOMITA VILLAGE

Mrs. Robert F. Drury, 8104 San Vicente St., president of St. Margaret Mary's Sodality of St. Rita's, reports that her group met on Tuesday at the home of Mrs. Thomas Glen, 367 Sunny-side Ave.

LOMITA VILLAGE

On Saturday evening the Couples Club of Rev. H. C. Bakken's Lemon Grove Lutheran Church on Skyline Drive will decorate the Christmas trees, one in the church auditorium and the other in the Sunday School auditorium. A social hour with refreshments will follow.

LOMITA VILLAGE

Many Lomita Village children are looking forward to the annual Christmas programs at the Lemon Grove Lutheran Church. On Sunday night, the Intermediate and the Bible Departments of the Sunday School will present their programs, while the Primary Department will have theirs on the afternoon of Dec. 22nd at 4 p. m.

Rev. Edward Burgess of the new First Baptist Church of Encanto at 7166 Jamacha Road re-

ports that the recent dedication day for their new building was a great success. A large congregation listened to the inspiring dedication sermon preached by the Rev. Jesse Powers, pastor of the Fairmount Baptist Church. Present were the Rev. Paul Ray, Church Extension Director of the Southern California Baptist Convention, and the Rev. Charles Talley, new Executive Director of the San Diego Baptist Association. The attractive new church building is now being landscaped.

The First Baptist Church of Encanto extends a hearty welcome to all. Sunday services are as follows: Sunday School, 9:30; Morning Worship, 10:55; B.Y.P. Meeting, 6:30; and Evening Worship, 7:30. An interesting Young Peoples' Program is being mapped out.

A joint dinner meeting of the Women's Missionary Society and the Men's Brotherhood was held Thursday, Dec. 5th, at the church.

CHRISTMAS PARTY

PLANNED BY

MASONIC FAMILIES

Eastern Star, White Shrine and Amaranth families will give a Christmas party for their children Sunday at the La Mesa Masonic Temple. Party will start at 1:30. Reservations should be made with La Verne Bass at HO 6-2227 or Gladys Howell at HO 6-7895.

"New Vivaciousness For Old Heads"

NEW HOME — Four comparatively new doctors to Lemon Grove joined together in a single building at 7612 Pacific Avenue and opened individual offices thus creating another "Doctors' Building" in Lemon Grove.

Last week, with the last of the four completely settled, they looked around at their housing accomplishment and announced "mission completed."

This week friends and patients were dropping by to see the completed project, thus supplying a mild form of Open House. The men involved are: (seated) Dr. Basil Maloney, obstetrician and gynecologist, and Dr. John Scheitzel. Standing are Dr. Vernon Officer, optometrist and Dr. Dennis McLaughlin, dentist.

Board of Directors
Grossmont Hospital District
La Mesa, California

Gentlemen:

We have examined the financial records of the Treasurer of the Grossmont Hospital District for the period beginning July 1, 1956 and ending June 30, 1957. Our examination was made in accordance with generally accepted auditing standards and included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the accompanying balance sheet — all funds, presents fairly the financial position of each fund of the Grossmont Hospital District at June 30, 1957 and the results of the operation for the fiscal year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,
Charles Porter

The Lemon Grove Kiwanianne elected a new slate of officers at their annual Christmas party, Monday night. They are: Mrs. Robert Swenson, president; Mrs. Jack Durham, vice-president; Mrs. Vernon Officer, secretary; and Mrs. Thayer Crow, treasurer. The new officers will be installed on January 11, in a joint affair being planned by the local Kiwanis.

Following the custom established by the group the December meeting was held in the Golden Avenue home of the Byron Netzleys. Mrs. John Dail, Mrs. James Yeo, and Mrs. S. L. Solleder, were co-hostesses. The group's traditional white elephant gift exchange provided fun and entertainment as in past years. The president, Mrs. Max Goodwin, presided over the meeting which a large percentage of the membership attended including one new member: Mrs. Virgil Duea.

Music Parents Rummage Moved To National City

A rummage was held by Mt. Miguel Music Parents last week but not all the items were sold. The balance of the rummage will be on sale Friday, at 3047 National Avenue in San Diego.

The Band student had a good time, and placed well at the competition in Corona last week, despite the transportation difficulties. The Toyland Parade, in which they also participated, was very pleasant.

The Music Parents will host the Band students at a Christmas Party, December 17. Dinner, informal dancing and entertainment are the plans for the evening, which all are anticipating with pleasure.

Committeeman Says Shearer Can Win

California's Republican State Central Committee announced this week that the 77th Assembly District in San Diego County will be one of its target areas in the 1958 campaign for the State Legislature. The State Committee has described the 77th as one of the Assembly Districts which "we believe could be recaptured from incumbent Democrats."

Bill Shearer, Republican candidate in the 77th in 1956, polled over 48% of the total vote against incumbent Democrat Sheridan Hegland. Since that time, there has been a continuous expansion and strengthening of the GOP organization in the district.

In a letter addressed to the San Diego County Republican Central Committee, Chairman Al Bell of the GOP State Committee said:

"In reviewing our Republican position, with respect to the State Legislature and the coming elections in 1958, it is apparent that our strength can be increased."

"Included in those Assembly Districts which we believe could be recaptured from incumbent Democrats is the 77th in San Diego County."

"From information which we have received, there is every indication that you are doing a great job in increasing the Republican registration in that district which should, with no let up in your fine work and increased enthusiasm, result in offsetting the margin of victory which elected the Democrat incumbent by only 2,948 votes in 1956."

"You may rest assured that all of the support available to the State Committee will be at your disposal to help in any way possible to achieve this victory."

The 77th Assembly District includes National City, Lemon Grove, Spring Valley, La Mesa, part of the City of San Diego, Poway, Escondido, Valley Center, San Marcos, Vista, Fallbrook, Oceanside, Carlsbad, Encinitas, Cardiff, Leucadia, Rancho Santa Fe Del Mar, and Solana Beach.

ED KOTERBA
Reports from Washington

WORDS OF GLOOM

Scientist Edward Teller, "father of the H-bomb," made one of the gloomiest predictions ever heard on Capitol Hill... He told senators pointblank: In the next generation, because of present student training, the Russians will have at least 20,000 more scientists than the United States.

He said that no matter what the United States does now, it cannot catch up to the Soviets in the number of scientists... Meanwhile, Central Intelligence Agency Chief Allen Dulles testified in secret before investigating senators that Russia today has the capability of defeating the United States in war.

Several senators are predicting privately that because of developments of the past few months the United States may go on a war economy basis in 1958.

A SHOT AT SPUTNIK
On October 16, 12 days after the Russians launched their Sputnik—the U. S. Air Force attempted to shoot it down.

The Pentagon denies this, but officials admit that an Air Force Aerobee rocket did propel millions of aluminum pellets into Sputnik's path on that date.

The pellets reached a speed of 40,000 miles an hour. Officials said they could have knocked

down the Red Moon—if they had hit it...

NIXON MAKES A HIT
White House correspondents expressed admiration over the way Vice President Richard Nixon handled himself during the Thanksgiving week crisis brought on by Ike's illness.

Nixon was the picture of confidence when he strolled from the Executive Mansion after checking in with the White House staff that first hectic day.

Calm and cordial, he patiently posed for the staff photographers, then agreed to say a few words for the TV cameras, and again for the newsreel men.

When the newsmen jostled each other, he raised his hand to calm them and said: "Just take it easy. All the men here must make a living..."

The correspondents' impression: Nixon was coolly in command of the situation...

COUNT LAUSCHE IN
Sen. Frank Lausche, former Ohio governor, is now passing around the word that he is more solidly a Democrat than most people suspect.

This is considered by observers here a prelude to an announcement that Lausche will make himself "available" for the Democratic presidential nomination in 1960...
